Robert Glitsch, of the Duquesne University team, has been signed by Manager Shannon and will report here this week. Glitsch is a catcher and comes to Clarksburg highly recommended. He has the endorserecommended. Bob Evans, a younger brother of Steve Evans, the former Fairmont player who is now with the Brooklyn Federals has been signed by Manager George Needham. Steve boosts his young brother saying the "kid" will more than make good in the "Pawva."

Roy Rock, formerly shortstop for the Providence International League club, may be found in the uniform of the Uniontown Hustlers this season. It is said President Fred Paige of the Uniontown club, is in communication with the erstwhile big leaguer and there is a probability he will captain the Hustlers. Rock is a good ball player and would make a valuable man for Mr. Paige.

Manager O'Day, of the Charleroi Governors, has signed pitcher George Grove, of Danville, Pa. Grove is a righthander and has a fine record in independent ball.

Governor John K. Tener, president of the National League, will attend the opening of the Pennsylvania-West Virginia League in Charleroi and will Fabes throw the first ball. The governor's isch. presence alone should attract an enormous crowd and it is probable the largest crowd in the history of Charlerol baseball will attend the inaugural game.
